

## BASKET BALL AT THE Y. M. C. A.

With a wealth of brilliant material available, the "Y" basketball team this year promises to put out one of the most formidable organizations ever seen in Paris, certainly the best team ever produced by the "Y." Practice has been in full blast for three weeks, and the players are already in mid-season form, exhibiting in accurate goal shooting, flashing passing, and the ability to handle the ball in such a manner as to prove puzzling to opponents. The team work, especially, is commendable, and the members already are imbued with the winning spirit.

At a recent meeting Russ Roberts was elected pilot of the team, and, together with Burnett and Roberts, the stellar high school luminaries, will make a pressing combination hard to beat. Port, playing at guard, is a former Syracuse star, and Delaco a fast player, who was a member of the Cincinnati Christ church team, when they beat everything around Cincinnati and Covington in 1918, will be viewed in the line-up. Chisley is a center of ability, and McIntyre an elusive passer. Brown, O'Neil and Miller are especially good. Coach Sheffield, himself an all-Iowa selection as forward, is highly gratified with the showing being made, and predicts a remarkable season. L. B. Griffin and Maurice Clark will manage the team.

Games will be scheduled with Louisville, Lexington, Henderson, Paducah, Frankfort, Covington, possibly Cincinnati, and other points. The first game will probably be played next Friday night.

## AIMS TO LIVE 100 YEARS

An Ancient Secret From Europe.

## A PITTSBURGH MAN

With Roto Checks and Sparkling Eyes; Uses a Simple Plan to Fight Off Disease and Old Age.

H. H. von Schlick is known to millions of men and women as a human benefactor.

He gave the secret of his change from a sickly sufferer to a strong, energetic man.

At 40 Mr. von Schlick, a wreck from disease, changed to meet Boris Marokoff, a native of Bulgaria.

Marokoff, at 36 years, was a physical giant, with mind clear, eye keen, complexion ruddy and enough health for a dozen people.

Marokoff explained that in his country the natives never depart from nature in forming health plans. The rugged children are kept in condition by a combination of herbs which help free the system of poisons, purifies blood and kidneys, keeps stomach in condition and regulates the liver.

"I'll make it for you," he told Mr. von Schlick. "It is composed of leaves, barks, roots, seeds, herbs and flowers of different plants. You will note a new feeling. You will begin to be a new man."

Mr. von Schlick tried this nature tea. Marokoff's formula was a great discovery for healing the sick. He took on a new lease of life. Today at near 60 he is younger than when he began using Bulgarian Blood Tea at 40.

Von Schlick secured the herbs from Europe, Asia and Africa. Von Schlick's sickly wife became strong. She gave it to women friends. Mr. von Schlick consulted physicians, who tested its merits and who today are using it for their patients.

The fame of Bulgarian Blood Tea spread. Today it is used by hundreds of thousands of sufferers in every state in the Union fighting off old age weaknesses. They include happy girls budding into womanhood or women crossing precarious thresholds of life. All praise and recommend it. Men recover their strength and vitality, the fire and spring of good health returns to those who were in despair.

During the influenza epidemics of 1918-19-20, thousands of sufferers from this dread disease found prompt relief by using Bulgarian Blood Tea. Taken steaming hot it breaks up a cold and guards against influenza and pneumonia.

All druggists and grocers now keep Bulgarian Blood Tea in stock, but owing to the enormous demand immediate application to your druggist is urged on account of the limited supply. Distributors are authorized to return the full purchase price if it does not prove to be highly beneficial to the health. This evidence of faith in the power of Bulgarian Blood Tea is the guarantee of the Marvel Products Company, sole manufacturers, Marvel Building, Pittsburgh, Pa., who authorize this public announcement.

## CAMPAIGN FOR NEAR-EAST RELIEF FUND.

Early reports from the Near-East Relief Campaign in Bourbon county indicate that the county will reach its quota of \$2,100. A number of teams are at work in various parts of the county and expect to complete their solicitations this week and next. Mrs. Hiram S. Redmon is county chairman, and B. J. Santer is treasurer for the county fund. Contributions may be sent to Mr. Santer, at the Bourbon Bank. Mrs. Emrich, of Boston, Mass., who spent ten years in Armenia as a missionary, opened the campaign in this county with addresses at Little Rock, North Middletown and Paris last Sunday. In her address Sunday night at the Christian church, she related the horrible conditions that exist in Armenia and told of the efforts of the relief workers who are, however, handicapped by lack of funds.

The suit of the Marchmont Company against the other companies is to recover \$30,000, said to be due to the Marchmont Company for leases. The case will be docketed by Clerk Fennell for the coming term of the Federal Court in January.

## GET YOUR AUTOMOBILE LICENSES IMMEDIATELY

The automobile owners of Paris Bourbon county are urged by County Clerk Pearce Paton to secure their licenses for automobiles for the year 1921 before the first of January. The new rule established this year, by which the licenses are distributed by the County Clerks, obviates the delays formerly experienced when they had to be obtained from the Automobile Department at Frankfort.

The situation threatens to develop into one of trouble-making for Bourbon county autoists. Figures show there are enough auto owners in the county to keep the Clerk's office busy from now until January 1, and unless owners begin coming in rapidly someone is going to be left out. After January 1 it will be a difficult matter to obtain an auto license. An owner must swear he was sick or out of the county on the regular days. The best thing to do now if you are unfortunate enough to own an automobile is to get busy. And you must know your car. Especially you must know the make, the date, the horse-power, the model, and the model number. The charge is made according to the horsepower of the machine.
